Planning Your Trip

ABOUT YOUR ARRIVAL AND DEPARTURE

If you are joining an Air-Cruise starting in Punta Arenas, you must plan to arrive with a flight that is scheduled to land in Punta Arenas no later than 2 PM on Day 1 of the itinerary. The same deadline applies to travellers arriving directly at the hotel on Day 1. That afternoon, all travellers must attend a mandatory safety and Antarctic guidelines briefing, and an information session covering important practical details. You must also attend a fitting session for your expedition boots. Participation in these activities is essential for the success of the expedition. Travellers who miss the 2 PM arrival deadline will be considered “no-show”. They will not be able to participate in the expedition and will receive no refund. Remember that scheduling tight connections is never wise when travelling to remote places with limited services. Protect your travel investment by building some buffer in your travel plans in case of problems with luggage delivery, flight delays etc. In case your flight into Punta Arenas is delayed for reasons beyond your control, Chilexclusive will do everything possible to accommodate your late arrival. However, Chilexclusive cannot assume any responsibility for any resulting complications, including your inability to join the expedition.

For Antarctica Express Air-Cruises: boarding in Ushuaia is between 3 PM and 4 PM. At 4 PM boarding will close.

Chilexclusive strongly suggests that a flexible air ticket be held for your journey home in case you need to change your travel arrangement following a delay of the return flight from Antarctica. Please ask your travel consultant for assistance. See also the sections on possible flight delays and related contingency plans further down.

PARTICIPATION FORM

Participants are required to fill and sign an on-line Participation Form, and to return it to Chilexclusive at least 120 days prior to departure.

MEDICAL INSURANCE

Chilexclusive requires participants to be adequately covered by a medical insurance, including aero-medical evacuation from Antarctica.

ITINERARY

Every effort will be made to adhere to the planned program. However, with this type of adventurous travel to Antarctica, changes to the itinerary may occur due to severe and unpredictable weather. We need to emphasize the fact that weather conditions are unpredictable and that safety is always the paramount concern on any Antarctic voyage. For this reason Chilexclusive reserves the right to change the itinerary described due to weather conditions or other factors beyond Chilexclusive's control without consulting the participants.

CANCELLATION INSURANCE

Chilexclusive strongly urges participants to be adequately covered by trip cancellation and interruption insurance.

BAGGAGE ALLOWANCE

The maximum weight allowed on the flights to and from Antarctica is 20 kg (44 Lb.) per passenger, including hand luggage. For Classic Antarctica and Polar Circle Air-Cruises, excess luggage will be kept in custody in Punta Arenas and will be handed over to travellers upon their return from Antarctica. For Antarctica Express Air-Cruises, excess luggage will be disembarked at Port Williams and will be sent to Punta Arenas by air cargo at the traveller's expense. It will be available for pick up in Punta Arenas upon the traveller's return from Antarctica. The baggage weight limit is a technical requirement imposed by the flight operation. Unfortunately, it is not possible to purchase extra allowance.

EXPEDITION LANGUAGE

The official expedition language of our Air-Cruises is English.

POSSIBLE FLIGHT DELAYS AND CONTINGENCY PLAN

Flights to and from Antarctica operate based on weather conditions. While historically only a minority of flights have experienced a delay, you should be prepared for that possibility.

Contingency Plan

The Contingency Plan is included in the cost of your expedition. The primary goal of the plan is to provide an engaging and comfortable travel experience while we adapt to the weather. A change in the flight schedule can impact travel to Antarctica or return back to Punta Arenas, and the plan includes a range of activities determined by the circumstances. Additionally, the Contingency Plan offers you financial protection by providing a refund should weather conditions prevent us from reaching Antarctica.

THE DETAILS

In case the outbound flight to Antarctica is moved forward

In some cases it may be necessary to move forward the Antarctic flight to the afternoon or evening of Day 1 of the itinerary. This will result in early departure from Punta Arenas and early arrival in Antarctica.

In case the outbound flight to Antarctica is delayed

The group will remain in Punta Arenas while waiting for an improvement in the weather and for the opportunity to fly to Antarctica. Included are accommodation at the Cabo de Hornos Hotel or similar, meals, and guided excursions to local attractions. If by 2 PM on Day 4 of the itinerary it is still impossible to reach Antarctica, the trip will be interrupted and the cruise fare will be refunded.

In case the return flight to Punta Arenas is moved forward

In those cases when the forecast suggests the likelihood of unfavourable weather conditions in Antarctica persisting for several days, the flight back to Punta Arenas may be moved forward to the previous evening as a way to avoid a protracted delay in Antarctica. Accommodation at the Cabo de Hornos Hotel or similar is included upon arrival. All other inclusions will remain per the original itinerary.

In case the return flight to Punta Arenas is delayed

The group will remain in Antarctica and wait for the opportunity to fly to Punta Arenas. Included are meals and accommodation on the ship, and local excursions. Upon arrival in Punta Arenas, accommodation at a 3-star hotel or better, and transfer to the airport the next morning are included. Travellers are responsible for any expenses associated with the rescheduling of their airline tickets or onward travel plans.

Please refer to the Contingency Plan section of our Terms and Conditions for further details.

Useful Tips

SUGGESTED CLOTHING

The average temperature in the Antarctic Peninsula area during the austral summer is about 0°C (32°F), although sometimes it may feel a little lower because of the wind chill factor. For this reason, it is best to wear several layers of light, warm clothing. The suggested clothing for Antarctica is very similar to that recommended for skiing: thermal underwear, a couple of warm and wicking mid layers, and windproof and waterproof jacket and pants as the outer layer. You will also need a hat, a scarf or neck gaiter waterproof and insulated gloves, and sunglasses with high UV protection. The pre-departure material provides further details.

WATERPROOF BOOTS

As most landings in Antarctica are “wet landings”, the best footwear is knee-high waterproof boots. You will not need to carry them with you since Chilexclusive will provide you with a pair of thermal rubber boots before arriving in Antarctica.

FACE PROTECTION

Good quality UV filtering sunglasses are essential. Glacier glasses have leather flaps at the sides to stop the light from passing through. Due to the high reflectance of UV radiation, you will also need good sun block lotion for your face (protection factor 30 and above) and lip balm.

PHOTOGRAPHY

To see the wildlife you should have a good pair of lightweight binoculars (the suggested magnification is 7x or 8x). If you are passionate about photography, do not forget a good zoom lens to shoot wildlife while avoiding close approaches. Also, take with you a good supply of memory cards and spare batteries since cold temperatures can reduce their life span.

FURTHERMORE...

Do not forget to take with you:

- Personal medications.
- Backpack to carry your belongings during shore excursions.

With this, the passenger understands and accepts all provisions without restriction, including their consequences, contained in Chilexclusive's Terms and Conditions.

The following payment, cancellation and refund policy will apply in case of individual bookings; in case of charters (booking of the entire tour and

In the event of such a cancellation, all monies received by Chilexclusive from the passenger or the passenger's booking agent for that tour will be refunded, including the deposit mentioned in the General Booking Terms. Chilexclusive shall not be liable for any special or consequential damages, whether known or unknown, neither for any costs of air ticket, hotel or similar expenses that the passenger may have incurred in or will incur in, under any circumstances whatsoever.

Chilexclusive also reserves the right (in its sole and absolute discretion) to alter or omit any part of the itinerary with due notice to the passengers wherever practicable. Such rescheduling does not constitute a cancellation by Chilexclusive. All reasonable efforts will be made by Chilexclusive to ensure that the passenger's travel objectives are met. Chilexclusive strongly recommends all passengers to purchase a travel cancellation and interruption insurance as protection against an unforeseen event which may force them to cancel their booking before departure or leave a tour while it is in progress.

PRICES

The prices of tours are indicated in U.S. dollars (USD). Prices quoted are based on tariffs, exchange rates, and fuel prices in effect at time of publication and are subject to change prior to departure. Substantial changes in taxes, tariffs, exchange rates and fuel prices can increase the cost of expedition arrangements significantly. Chilexclusive reserves the right to alter prices or introduce surcharges accordingly, even when payment has already been received in full.

RESPONSIBILITY

Chilexclusive is not responsible for any expenses incurred by the passenger or passenger's booking agents in preparing for the voyage,

including non-refundable or penalty-carrying airline tickets, special clothing, visa or passport fees or other voyage related expenses. A tight time-schedule connection with an Antarctic voyage is unwise. For this reason, Chilexclusive strongly suggests that a flexible air ticket be held for your journey home. In no case is Chilexclusive responsible for any expense or penalty incurred by the passenger or passenger's booking agents deriving from a change in the ending date of the Tour.

Participants should understand that there are certain known and unknown hazards involved in Antarctic voyages, which they accept willingly and voluntarily at their own risk at the moment of forwarding the deposit. Chilexclusive will not be liable for any illness, injury or death sustained during a tour, nor will it be liable for any uninsured loss or damage of property of any participant, whether caused in whole or in part by the negligence of the owners, directors, agents, officers, employees, contractors or subcontractors of Chilexclusive, or those acting as its agents.

Chilexclusive shall not be responsible for any injury to persons (whether or not resulting in death) or damage to property arising out of any act of war, terrorism, insurrection, revolt or other civil or military uprising occurring in the countries of origin, destination or passage. Chilexclusive acts only as agent on behalf of shipping and transport companies, airlines, hotels, and other suppliers providing services that are included in the tour, and as such Chilexclusive will exercise every possible care. However Chilexclusive, its subsidiaries and/ or associated agents shall not be held responsible for property loss or damage and/or any damages resulting from illness, personal injuries or death that may be sustained by reason of, or while engaged in, any tour whether due to the ownership, maintenance, use, operation or control of any air, sea or land carrier or any other conveyance used in carrying out these tours. Chilexclusive can assume no liability due to any cause whatsoever whether caused by failure or delay or other irregularity, acts or omissions occurring during a tour under which the means of transportation or other service provided thereby is offered or supplied by owners, operators or public carriers for whom Chilexclusive acts only as agent. The Passenger Contract in use by the carriers concerned (when issued) shall constitute the sole contract between the transportation companies and the purchaser of these tours and/or passage. By accepting Chilexclusive's Terms and Conditions, the passenger also accepts without reservation the provisions contained in the Passenger Contract in use by the shipping and transport companies, airlines, hotels, and other suppliers providing services that are included in the tour.

Chilexclusive strongly urges participants to check with their insurance agent to make sure that they are adequately covered for all eventualities. In case of a medical problem arising during the tour, which results in costs for evacuation or repatriation, the responsibility for payment of these costs belongs solely to the passenger. Chilexclusive requires that such eventualities are covered by travel insurance. If not covered by travel insurance, the responsibility still remains with the passenger and Chilexclusive specifically declines any responsibility whatsoever.

Chilexclusive's staff, agents and representatives, other than an Officer of Chilexclusive, are not entitled to promise refunds for whatever reasons, and Chilexclusive will not be bound by any such oral or written promises.

ITINERARY

Chilexclusive has the duty to advise you that all operations carried out in the Antarctic territory are subject to constantly changing weather conditions and that the safety and comfort of passengers and crew will never be put at risk by taking actions that may result in a disappointing end to a unique experience.

This is a voyage to a remote part of the world, and Chilexclusive reserves the right to change the itinerary described in the brochure due to weather conditions, availability of anchorages or landing sites, safety of the carrier and human lives, political conditions and other factors beyond Chilexclusive's control without consulting the participants. On any flight (to or from Antarctica), or in any sea operation, such operations will be carried out exclusively and absolutely according to the judgment of the Captain of the aircraft or the vessel, whose decision will be definite and will not be questioned by any party. It is understood that such decisions will be made in the best interests of all the passengers and with regard to the safety of the vessel and the aircraft. Participants have no right to any refund or other considerations in the event of these inevitable itinerary changes. In case that the flight to or from Antarctica cannot take place due to unfavourable weather conditions either at point of origin and/or destination, Chilexclusive will apply the Contingency Plan corresponding to each voyage.

MEAN OF CONVEYANCE, ACCOMMODATION, INFRASTRUCTURE, AND SERVICES

Keeping in mind that safety is the paramount concern, Chilexclusive will make all efforts to carry out the itinerary detailed in the itinerary corresponding to each tour by using the means of conveyance, accommodation, infrastructure, and services arranged to this end. However, Chilexclusive reserves the right to use substitute means of conveyance, accommodation, infrastructure, and/or services in case of unfavourable conditions or other factors that

Chilexclusive considers convenient, either at point of origin and/or transit and/or destination.

The use of substitute means of conveyance, accommodation, infrastructure, and/or services will be carried out exclusively and absolutely according to Chilexclusive's judgment. It is understood that such decision will be made with regard to ensuring the safety of air, land and sea operations, accomplishing the itinerary of each tour, maintaining standards of service similar to the ones originally arranged, and in the best interests of all the passengers.

Participants have no right to any refund or other considerations in the event of using substitute means of conveyance, accommodation, infrastructure, and/or services.

ADMITTANCE

These tours are intended for persons in reasonably good health. By forwarding the deposit the passenger certifies that he/she does not have any physical or mental conditions or other condition or disability that can create a hazard to himself/herself or other passengers. By submitting the Participation Form to Chilexclusive, the passenger:

- Declares under his/her sole and unique responsibility that the information contained in the form is true, complete, and updated to the time of travel and that he/she is fit and fully able to participate in the voyage, is able to take care of himself/herself during the voyage and will not be an obstacle for the enjoyment of the trip for all other passengers;
- Accepts that the expedition will take him/her to remote areas without sophisticated medical facilities and understands that medical attention aboard the ship is limited to basic care, and that an emergency evacuation may be delayed;
- Undertakes to ensure that for the duration of the tour, including possible delays, he/she will carry any and all necessary medications, and in sufficient quantity, to prevent, counter, or remedy any effects on his/her health that could be caused by his/her medical condition;
- Understands and accepts that Chilexclusive and its providers cannot, and will not, be held responsible or liable for any possible consequences resulting from his/her health condition during or after the program, and specifically for any food, beverage, ingredient, or any other substance that could cause a direct or indirect allergic reaction;
- Understands and accepts Chilexclusive's policy regarding the acceptance of pregnant women on Antarctic voyages as presented in the Participation Form, including Chilexclusive's right to deny or limit participation should any information regarding a pregnancy be omitted in full or in part.

Chilexclusive welcomes on its tours children 8 years of age and older, provided that they comply with the requirements applicable to all passengers and that an adult taking full responsibility of the minor accompanies them.

Regardless of the above, Chilexclusive reserves the right to exclude a passenger from part or all of the tour, should the passenger be considered by Chilexclusive to be not physically able or prepared to participate safely. Should a passenger's application for participation in a tour be justifiably declined by Chilexclusive prior to the scheduled date of departure of the tour, Chilexclusive will refund all payments received from the client less an administrative fee equivalent to 75% of the Deposit paid only if the Participation Form is received by Chilexclusive at least 120 days prior to the departure date, and this will be the limit of Chilexclusive's liability. Chilexclusive shall not be liable for any special or consequential damages, whether known or unknown, under any circumstances whatsoever. Chilexclusive's decision to decline a passenger's participation in any tour shall be taken in its sole and absolute discretion.

Chilexclusive's leaders and guides will do their utmost to ensure that any problems are solved for the benefit of the group and the voyage as a whole. Passengers accept Chilexclusive's authority (whether it be a Captain, Expedition Leader, Operations Manager or Field Guide) to make decisions affecting the group or individuals. For instance, an individual may be denied participation in a tour, or his/her participation in certain activities may be denied or restricted by an Chilexclusive leader, if that individual's health is at risk, if an illegal act is committed, or if his/her behaviour becomes detrimental to the safety, enjoyment or wellbeing of the group. Should an Chilexclusive leader take such action, that person would not be entitled to any refund whatsoever. If the disturbing behavior or damage (as described above) should occur, all costs resulting from this shall be charged to the passenger.

BAGGAGE ALLOWANCE

The passenger's baggage, including all his/her belongings, is under his/her sole and exclusive care and responsibility. The passenger accepts that Chilexclusive shall have no liability for loss or damage howsoever caused, even if by the negligence of the company. Chilexclusive strongly recommends to passengers to obtain insurance for all baggage and other personal property. The passenger is not allowed to transport, not bring or have aboard any firearms, flammable or hazardous items, controlled or prohibited substances or drugs, contraband or items prohibited by any country or port or airport to be visited, or any other item that is not admitted by the Passenger Contract of shipping and transport companies, airlines, hotels, and other suppliers providing services that are included in the tour.

On the flights to and from Antarctica, the maximum baggage allowance for each passenger, including hand luggage, is 20 kg. Baggage exceeding the maximum weight will be refused on board the aircraft and will not be allowed. Excess baggage allowance cannot be purchased. For Air-Cruises starting in Punta Arenas, exceeding luggage will be kept in custody and will be returned to passengers upon their return from Antarctica.

USE OF PERSONAL EQUIPMENT

Chilexclusive does not allow the use of motorized or naturally powered equipment by passengers during its expeditions. This includes the use of unmanned aerial vehicles (drones), radio-controlled surface and underwater vehicles, kites, and all types of equipment that could result in contamination of the Antarctica environment or harm to its wildlife.

USE OF PERSONAL DATA

Passengers' personal data collected by Chilexclusive are used exclusively to provide the services of the tour booked, and to manage the passenger's security, safety, and wellbeing during the tour. As necessary, data will be shared with third party service providers, such as transportation, accommodation, and insurance providers, who collaborate with ANTARCTICA XXI on the delivery of the tour. Data will also be shared with authorities as required by law, regulation, or court orders.

PHOTOGRAPHY AND VIDEO

Passengers extend Chilexclusive permission to take their photograph and video during the voyage and release all rights over those images. Passengers authorize Chilexclusive to make use of such photographs and video without any restriction whatsoever, including for promotional and other purposes. Passengers who do not wish to be photographed or videotaped during the voyage must inform Chilexclusive in writing, prior to the voyage. Chilexclusive will not be held responsible for the usage of photographs and/or videos taken by third parties during the tour.

LAW AND JURISDICTION

This Agreement, its interpretation, and any dispute hereunder shall be governed by and construed in accordance with the laws and the jurisdiction of the Republic of Chile, with the only exception of the maritime cruise, which is ruled by specific provisions contained in the Cruise Contract. In case of any dispute, the Spanish text of ANTARCTICA XXI's Terms and Conditions is applicable.

A Contingency Plan is in place for those cases when weather conditions require that the day of operation of the flight between Punta Arenas and Antarctica is modified from the itinerary. The purpose of the Contingency Plan is to provide travellers with a flexible travel experience that adapts to
