FAST TRACK W

This is our fastest way to visit the three main valleys of the famous W trail, in Torres del Paine National park: we start early morning from Puerto Natales, with a private transfer and a professional bilingual guide/driver.

We drive to the park (2 hours) and start right away a round trip hike to the lookout point of the towers. Then we drive to our secluded & comfortable riverside camp to spend the night and enjoy a welcome dinner. On day 2 we drive to Pehoe Lake, cross it by catamaran and start our second-round trip hike to the French valley (6-8 hours), spending our second night at the Riverside camp.

On day 3 we do a half day hike to the less visited Pingo valley in search of the elusive Huemul (Andean deer), in the afternoon we navigate to the front wall of Glacier Grey and then we take a transfer back to Natales, arriving around 7.30 PM.

Ideally you want to spend the night in town.

PAINE BIG CIRCUIT

7 DAYS - 6 NIGHTS / LODGING IN CAMPING, OPTIONAL UPGRADE TO MOUNTAIN HUTS MOST OF THE NIGHTS.

Then from day 1 to day 7 you will hike from camp to camp the whole Paine Circuit (the big "O"), we bring porters to carry the common equipment (such a tents, food and cooking utensils), each guest needs to carry their personal belongings including the sleeping bags and mattress. If you want to avoid carrying too much weight you can pay for a private porter, they carry a maximum of 15 kilos, usually good to share in between two people, and you need it for 5 days (USD\$ 150 per day).

Also you can upgrade most of the nights to stay in a Refugio (mountain hut, with sharing rooms and communal bathrooms), we use the Refugios for dinner and breakfast almost every night.
